RE: Letter of recommendation for International Public Works, LLC regarding  
renovations to 544 Savannah Highway, Charleston, SC

Dear Kai,

Thank you for your tremendous effort and help on our law office located on 544 Savannah Highway in Charleston, SC. You were able to provide comprehensive engineering and construction services throughout the duration of the renovation process. Our project included: a roof replacement, miscellaneous exterior landscaping, handicap access ramp, exterior siding, carpentry/painting, plumbing, and HVAC upgrades to the building.

We were very pleased with the level of professionalism that you exhibited throughout the project, even though several hurdles and issues arose as we proceeded. You handled each challenge with our best interest in mind, and we truly appreciate the cost savings which you suggested in order to keep the project within budget.

We are very happy with the results and would recommend your engineering and construction firm to anyone. We look forward to establishing a long term relationship with your firm and wish you all the success in the future.

Sincerely,

Catherine E. LaFond
