Subject: Letter of Interest for International Public Works, LLC (IPW)

Dear Mr. Yeh:

The Resident Officer in Charge of Construction (ROICC) Charleston, SC would like to extend you a letter of interest to potentially perform work throughout our area of responsibility (AOR). This ROICC office awards nearly \$11 million of construction and service contracts to 8(a) certified small businesses. It is our understanding that you are in the process of submitting your 8(a) certification packet to the Small Business Administration and we hope that you are successful in obtaining this certification. This office continues to support this program and understands that 8(a) certified firms are an integral part of services to our customers.

We are familiar with the capabilities and experience of your member-managers, Mr. L. Kai Yeh, P.E. and Mr. Cyrus D. Sinor, P.E., and anticipate a quality product from your firm. We understand you are capable of performing both construction and service contracts that are available throughout our AOR.

Although, ROICC Charleston cannot guarantee any amount of contracts to be awarded to IPW, we actively seek to support small businesses such as yours. Your military backgrounds, along with your professional certifications, represent a dynamic and flexible firm that can perform a vast array of contracting opportunities throughout this AOR.

We look forward to future opportunities for IPW, and hope that a relationship with your firm continues for the next several years with this office. If you have any questions, please contact Robin Brown at 843-764-4112 x 3045.

Sincerely,

A handwritten signature in black ink that reads "John Coronado".

John Coronado, P.E.
CDR, CEC, USN
ROICC Charleston
